

Biotechnology Endorsement Insured's Certification

MP-2003 & MP-2003C

Section Number and/or Name	Enter the following information:
1. Insured Information	<p>Full legal name of the Insured. If not an individual, the name of the legal entity.</p> <p>Insured's complete street/mailling address including City, State, and Zip Code (plus the 4 digit extension if known).</p> <p>Note: Use only US Post Office recognized abbreviations.</p>
2. Crop Year	<p>The 4 digit crop year in which the qualifying hybrid was planted.</p>
3. Policy Number	<p>Current policy number for the insured</p>
4. State Code	<p>Name of the State and State Code for the policy</p>
5. County Code	<p>Name of the County and County Code for the policy</p>
6. Seed Purchaser's Name	<p>Name of the person who purchased the qualifying hybrid corn seed.</p>
7. Seed Purchaser Number	<p>The number of the Seed Purchaser.</p>
8. Brand Name and Hybrid Name of Qualifying Hybrids	<p>The brand name of the Qualifying Hybrids you planted. Qualifying Hybrid means a corn hybrid that meets the definition of Qualifying Hybrid as defined in the Pilot Biotechnology Endorsement.</p>
9. Number of Units of Qualifying Seed	<p>The total net (amount purchased minus amount returned) number of units of qualifying hybrid corn seed purchased by the seed purchased for the crop year.</p> <p>A unit of seed equals 80,000 kernels. Most qualifying hybrid seed is sold in a bag that contains 80,000 kernels (1 unit). However, qualifying hybrid seed may also be sold in a mini bulk unit that normally contains 4 million kernels (50 units). In rare situations, a bag of qualifying hybrid seed may contain only 40,000 kernels (0.5 units).</p> <p>A list of qualifying hybrids is available at http://www3.rma.usda.gov/apps/behybrids/</p>

Biotechnology Endorsement Insured's Certification

MP-2003 & MP-2003C

Section Number and/or Name	Enter the following information:
10. Average Seeding Rate	Enter the acres per unit of seed. _____
11. Acres	Multiple Number of units of Qualifying Seed (field #9) times the Average Seeding Rate (field #10). _____
12. Total	Total Number of units of Qualifying Seed column (Field #9). _____
13. Total	Total of Acres column (field #11). _____

**MP-2003C (continuation page) is available if more lines
are needed!**

Certification Statement & Signatures:

14. Certification Statements	Review and Agree to certification statements A, B and C before signing the document. _____
15. Insured Signature & Date	Review the Certification Statements and Federal Statements. Signature of the Insured and date the Insured signed the form. _____

Distribution:

Original Document	Agent _____
Copy	Insured _____
