SHARE: _____ SHARE HOLDER: _____

FARM/FIELD NAME: _____ FSN: _____

CROP PLANTED: _____ SEC/TWP/RNG: _____

CROP TYPE: _____ HARVEST DATE: _____

PRACTICE: NON-IRRIGATED _____ IRRIGATED _____ OTHER _____

UNIT # _____ ORGANIC: NO OR YES IF YES, TRANSITIONAL _____ CERTIFIED _____

Acreage Records:

- Copies of certified / signed FSA 578 reports for the year or measurement service records, including any new forms (for added land calculation) or FSA reconstitutions.
- If acres were reported using a GPS measurement, include maps and the measurement data

Production Records: (records need to be reflective of how you insure your crop(s). Matching FSN, farm names, sections, and/or unit structure is crucial. Records should be easily identified and correspond to FSN, farm name, section, etc.)

- Certified/signed production reports for this year, showing production by unit, if applicable.
 - If your production was sold to a marketing outlet, processor, or first handler records must include:
 - Crop (commodity) name
 - Your name / name of the insured / entity
 - Copy of settlement sheets
 - Processing Crops:
 - Copy of Contract
 - Processor records or settlement sheets
 - Name of Buyer, storage facility, or marketing outlet
 - Crop year produced and transaction date
 - Practice, type and variety
 - Production amount (quantity) and unit of measure
 - If production was farm-stored include:
 - Acceptable records indicating total acres and production by crop, crop year and unit OR
 - Documentation of measurements taken by an insurance company or FSA
 - Field Harvest records and/or yield monitoring system records
 - If production was fed to livestock:
 - Was production measured prior to feeding? _____ YES _____ No**
 - ** If no include:
 - Amount of commodity fed at each feeding
 - Bin or storage ID from which production was fed
 - Unit on which feed was produced
 - Number and kind of livestock fed
 - Estimated average weight of livestock (nearest 100 lbs)
 - Location of livestock fed

Production from uninsured acreage? Any pre-harvest appraisals?

Reviewed production with agent. (state location of production evidence if not maintained in this envelope).
